WORK EXPERIENCE

OSCULATOR 2009

Freelance work for French software developer Camille Troillard.

Worked on a complete rebranding of the *Osculator* brand including a new wordmark and application icon, as well as an original *Wordpress* and *BBpress* theme for the *Osculator* online community.

EMILY CARR UNDERGRADUATE CATALOGUE 2009

Working with a fairly large group of individuals in order to put together the identity and catalogue for the 2009 Emily Carr Undergraduate Exhibition. My role was to art direct a small group in charge of the inside spreads of the catalogue and manage the placement of all graduating student submissions.

MACNEIL BIKE CO. 2008

Freelance work on a variety of projects including identity design, front end web design, video editing, and various print projects.

VOLEURZ APPAREL 2007 – 2009

Apparel design for Victoria/Whistler based snowboard company *Voleurz*. Tasks involve concept generation and illustration.

THE DESIGN COLLECTIVE 2005 – 2006

Intern at a small architecture firm in Vancouver BC. Roles included helping with general tasks and constructing simple small scale working models.
